**TOOLS NEEDED:**

Phillips-Head Screwdriver (not included) 

**ASSEMBLY INSTRUCTIONS**

Bed must be assembled by at least two people.

Please read instructions carefully before assembling bed.

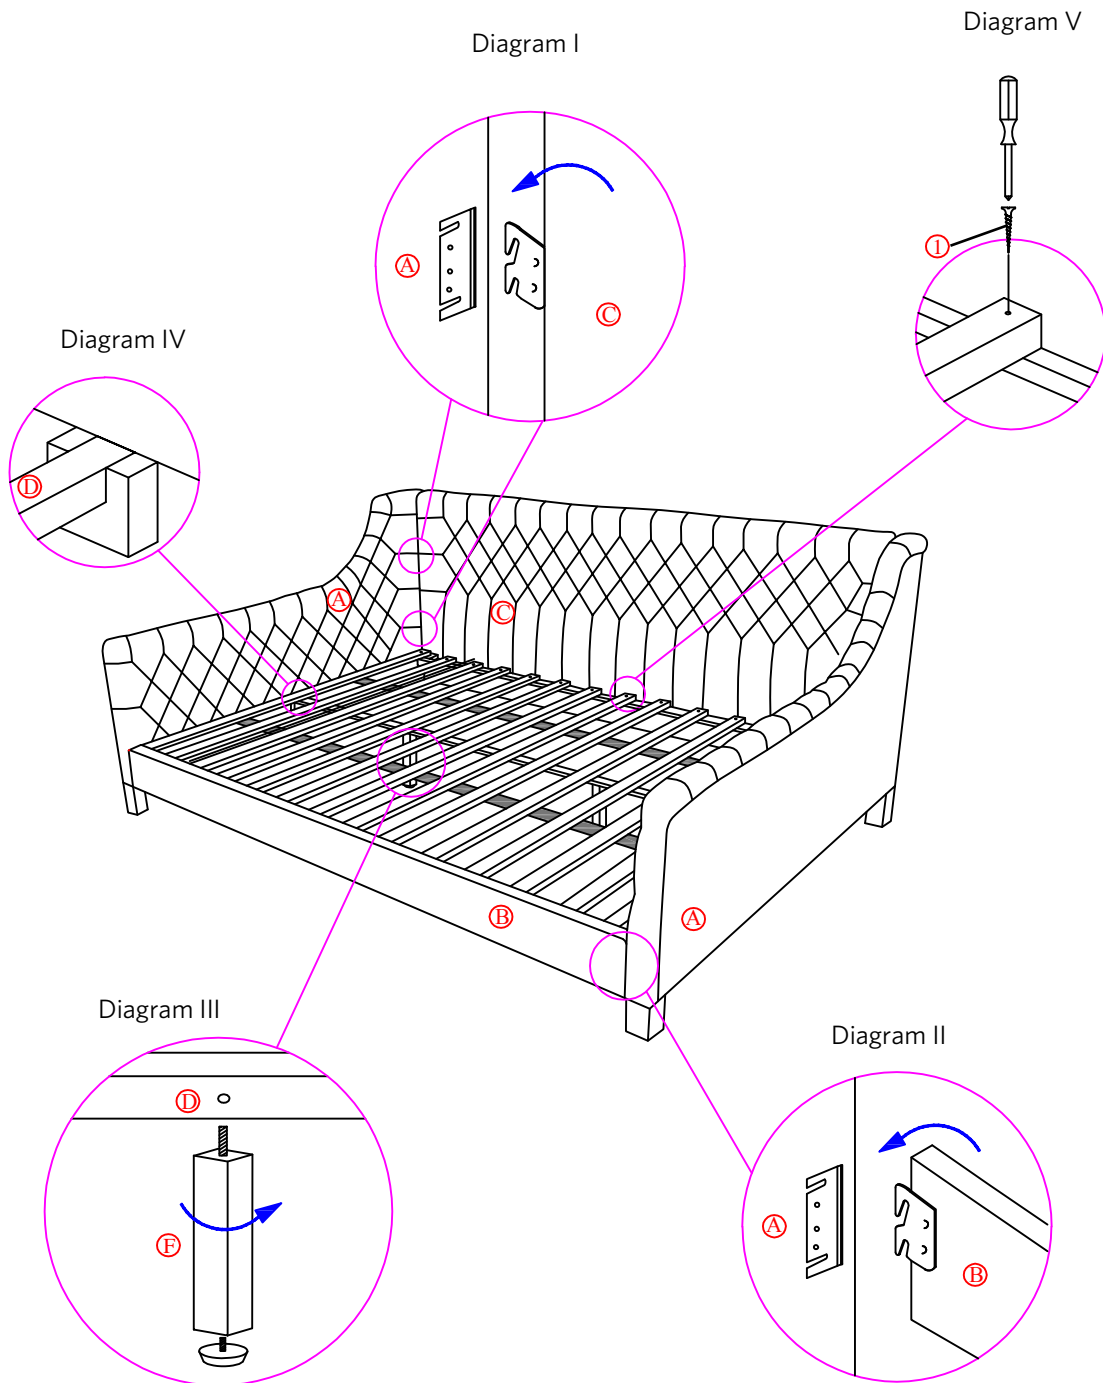

Use the above parts and hardware list to identify each component.

Keep all packing materials until assembly is complete to avoid loss of smaller parts.

1. Place the Headboard (C) flat on the floor covered with a protective material to prevent damage.
2. Stand the Headboard (C) upright and hook Headboard (C) into Side Rails (A), as shown in Diagram I.
3. Repeat the procedure with the Footboard (B), as shown in Diagram II.
4. Attach the Center Support Slat Foot (F) to the Center Support Slat (D), as shown in Diagram III.
5. Place the Center Support Slat (D) into the U-shaped brackets on Side Rails (A), as shown in Diagram IV.
6. Place the Slat Roll (E) into the cleats on the inside of the Headboard (C) and Footboard (B). Screw the ends of the Slats into the cleats using Screw (1), as shown in Diagram V.

## CARE INSTRUCTIONS

Spot clean only with a soft, damp cloth.
