Assembly Instructions:

Important Note: Consult a Professional Carpenter if needed

1. Choose a firm thick wall to place your Bookcase Tower.
2. Drill two holes in the wall, in such a way that the tip kit wall plate and the holes are face to face.
3. Insert the wall screw plug in the drilled holes.
4. Insert the screw in the tip kit wall plate and tighten them in the wall plugs.
5. Insert the tip kit strap as shown in the image above to prevent the Bookcase tower from tipping.

Care Instructions:

1. Clean with Soft cloth.
2. Do not use abrasive cleaners, chemical cleaners, or metal polishes.
