ASSEMBLY INSTRUCTIONS

- Bed must be assembled by at least two people.
- Please read instructions carefully before assembling bed.
- Use the above parts and hardware list to identify each component.
- Keep all packing materials until assembly is complete to avoid loss of smaller parts.
- Replacement buttons (6) & (7) inside, keep out of reach of children, professional rework recommended.

1. Stand the Headboard (C) upright and hook Headboard (C) into Side Panels (A), as shown in the Diagram I.
2. Stand the Front Panel (B) upright and attach Side Panels (A), as shown in Diagram II.
3. Attach the L-Shaped Brackets(5) onto the ends of Center Support Slat (C), and tighten with Allen Head Bolt (2) & Allen Key (1). Attach the L-Shaped Brackets (5) onto the Side Panel (A) and tighten with Allen Head Bolt (3) & Allen Key (1),as shown in Diagram III
4. Place the Slats (E) into the cleats on the inside of the Headboard (C) and Front Panel (B). Screw the ends of the Slats (E) to the cleats using Screws (4), as shown in Diagram IV.
5. Push the Trundle (D) into the Daybed frame, making sure the Trundle (D) front panel is flush with the Daybed Front Panel (B).
6. Lay the platform panel (F) on top of the Slats (E), as shown in Diagram V.

CARE INSTRUCTIONS

1. Spot clean only with a soft,damp cloth.
