TOOLS NEEDED:

Phillips Screwdriver (not included)

ASSEMBLY INSTRUCTIONS

- Bed must be assembled by at least two people.
 - Please read instructions carefully before assembling bed.
 - Use the above parts and hardware list to identify each component.
 - Keep all packing materials until assembly is complete to avoid loss of smaller parts.
 - Replacement buttons (2) & (3) inside, keep out of reach of children, professional rework recommended.
1. Stand the Headboard (C) upright and hook Headboard (C) into Side Panels (A), as shown in the Diagram I.
 2. Stand the Front Panel (B) upright and attach Side Panels (A), as shown in Diagram II.
 3. Place the Slat (E) into the cleats on the inside of the Headboard (C) and Front Panel (B). Screw the ends of the Slats (E) to the cleats using Screw (1), as shown in Diagram III.
 4. Push the Trundle (D) into the Daybed frame, making sure the Trundle (D) front panel is flush with the Daybed Front Panel (B).
 5. Lay the platform panel (F) on top of the Slats (E), as shown in Diagram V.

CARE INSTRUCTIONS

1. Spot clean only with a soft, damp cloth.
